

REQUEST FOR EXPRESSIONS OF INTEREST (RFEI):

Architectural Services for Site Planning and Design of the new Highlands Community Centre in Edmonton, AB

Posted by the Highlands Community League, Edmonton, AB
(www.highlandscommunity.ca)

RFEI process will be administered by the Highlands Facilities Renewal Committee (HFRC) with recommendations to the Board of Directors of the Highlands Community League (HCL).

Tendering Authority: Highlands Community League

Project Description:

Request For Expressions of Interest (RFEI) for architectural services regarding the site planning, design and construction-services of a new community centre to replace the existing facility located at 6112 113 Avenue NW, Edmonton, AB. Project plan involves reevaluating and redeveloping the existing site and building a modern, sustainable multi-functional gathering place where residents participate in community programs, attend public meetings and celebrations and hold private functions. Project completion goal is to have a facility open for HCL's centennial in 2021.

This RFEI is NOT a request for a proposal. The intent of the RFEI is to select approximately three interested firms from the respondents to this RFEI, to submit proposals for architectural services related to the replacement of the Highlands Community Centre.

Note: Several background documents are provided as Appendices that highlight the work done to date by the HFRC and which summarize community demographics and project goals.

Opening Date: April 24, 2017
Closing Date: May 17, 2017, at or before 5:00 pm
